BSC Member Information

Welcome to the Battlefords Sailing Club. In operation since 1964! As a new member, there are some things we want to inform you of so all are safe and the facility remains in good condition for members, renters, and guests to enjoy.

- Never assume: before venturing out on the water, check the weather forecast and pay attention to local conditions as things can change very quickly.
- Be prudent: if you have uncertainty about boating conditions and/or your skill level, stay on shore.
- Always wear a PFD with a whistle attached. Ensure the PFD fits (snug but not uncomfortable) and is in good condition. It is fitting properly if, when you pull up on the shoulder straps, the straps do not lift higher than your ears! Use PFDs marked BSC, in order to avoid using private gear. There is a good selection of adult and children's PFDs hanging on the downstairs wall. You might even consider purchasing a wetsuit suitable for boating.
- Tell someone that you are venturing out on the water and when you expect to be back.
- In case of emergency, please note the clubhouse does not have landline telephone service: check to see if your cell phone has a signal. The clubhouse is located on shore immediately to the east of the Regional Park, but cannot be accessed from the Regional Park parking area.
- There is a basic First Aid kit available on the kitchen counter.
- Respect club property and report any damage to equipment or facility maintenance issues so they can be quickly and properly addressed.
- Put all equipment away in its proper place after use. Ensure it is dry before storage.
- Feel free to bring family and friends as guest, but remember that you must be present at all times: you are responsible for your guests!
- Members should limit overusing guest privileges, but rather encourage others to become BSC members.
- Please note the BSC clubhouse is not a licensed facility unless a permit has been purchased for a special occasion.
- Sorry, but if possible bag your garbage and take it home to be disposed of: it can be a long time between garbage pickups!
- After each use, **please make an entry in the "ship's log"** located on a table in the main area. Indicate who attended, equipment used, weather, etc. This is also a good place to report any maintenance issues you noticed. The ship's log is an excellent way to track member use and to assist with communication.
- Clubhouse keys are numbered and are BSC property. Please do not give out your key.
- Return your key if you at some point no longer wish to remain a member.
- If you lose your key, it is a \$20 charge to receive a new key.
- Be courteous to cabin owners. Please, if possible, try not to park where you might block their view of the lake.
- Cabin/day sailor sailboats require a boatlift. Mooring simply takes too much space and can make dinghy sailing and race organization difficult. Also, regularly check your boat to ensure that it is properly secured.

Thank you for your membership and welcome aboard!

We value your participation! The club very much relies on the honour system, and the responsibility and integrity of its members so that all participants can enjoy their lake experience. Members abusing privileges may have their membership suspended at the discretion of the BSC executive according to the BSC bylaws.

Before leaving the clubhouse, please make sure:

1. All lights/fans are turned off and toilets/urinals have been flushed.
2. Showers are clean and presentable.
3. The shut off valve for the outside tap is turned off.
4. Patio doors are locked (and wood pieces in place) and all other entry doors locked.
5. Make sure all windows are closed and locked.
6. Garage door is closed and securely latched- garage floor is swept.
7. Floor is vacuumed, kitchen is clean, and dishes are done.
8. BBQ is clean, propane tank is shut off, and cover is on.
9. The facility key ring **must** be placed back on its peg in the kitchen by the door.
10. The office door is locked.
11. Take time to walk around the building as a final check just in case something has been left outside!
